Teaching Excellence Framework: Year two

Statement of findings

Neath Port Talbot College

UKPRN: 10009614

TEF Silver

This award was made in June 2017 and is valid for up to three years.

The TEF Panel reviewed the provider metrics and provider submission according to the process and criteria specified in the TEF guidance.

The provider metrics supplemented by the submission indicate that students from all backgrounds achieve excellent outcomes. While the College is below benchmark for progression to employment or further study, the Panel deemed this was addressed effectively in the provider submission. The metrics indicate high levels of student satisfaction with teaching, academic support, and assessment and feedback.

The Panel considered the College submission in relation to the TEF criteria and its judgement reflects, in particular, evidence of:

- high quality personalised provision to enable students, especially those from non-traditional backgrounds, to achieve their academic and professional goals and which secures high levels of engagement and commitment to learning and study from students
- an institutional approach to developing physical and digital resources, which are used frequently by students to aid and enhance learning and develop study and research skills
- high levels of student satisfaction with teaching, assessment and feedback.

Overall, the TEF Panel judged that the combination of evidence in the provider metrics and the provider submission best fits the descriptor for a Silver award.
