TEF Silver

This award was made in June 2017 and is valid for up to three years.

The TEF Panel reviewed the provider metrics and provider submission according to the process and criteria specified in the TEF guidance.

The provider metrics supplemented by the submission indicate that students achieve excellent outcomes.

The Panel considered the University submission in relation to the TEF criteria and its judgement reflects, in particular, evidence of:

- the inclusive curriculum which provides high levels of support for the diverse student population
- the use of learner analytics which is resulting in personalised support for students
- high levels of engagement with employers and PSRBs.

Overall, the TEF Panel judged that the combination of evidence in the provider metrics and the provider submission best fits the descriptor for a Silver award.
